Installation of Officers

Joseph has started his term off with a great start hosting the 6th open Installation of Officers on May 14th. Attendance was great with a fantastic dinner and dance hosted by the Booster Club immediately following. Joseph has submitted a full calendar for his term including camping, paintball, sports practice, movie nights, charity events such as donating time to Soldier's Angels, fundraisers and of course, meetings.

With a great line-up of officers, this is looking to be a top-notch term and one we are all looking forward to.

We have a big fundraiser coming up on June 4th in Fredericksburg.

We need help from parents and members. We will be out there starting at 7:00 AM cooking breakfast tacos and will immediately start burg-

Well, we had a great time. We were picked up and on the road before six. Our first stop though was in Boerne to run into Wal-Mart for some essentials for the weekend. We next stopped in Kyle at Dairy Queen for dinner and to pick up Jason from Albert Pike Chapter. From there, we made the long trip to Bruceville. What a change we saw when

we got there. The parking lot and tennis courts were gone and a new building and grass area was in their place. The new building had a gymnasium, game room and theater room. Saturday was full of activities. Immediately after breakfast, we broke up into our teams and participated in kickball, volleyball, Ropes course, dodge-ball, giant scrabble, and

year. We will be joined by the Hill Country Rainbow assembly this year as they will be selling cookies ready to eat and frozen. We really need help from all. The proceeds will help with the cost of Conclave in July.

Later in the month on Father's Day weekend, the City of Boerne will host the annual Bergesfest. We will be participating both at the event and in the parade. This year, we will be raffling off a TV to also help with the cost of Conclave. This is a three day event and we need help out there so no one has to be there the entire time.

egg toss. We then had a little free time to swim. After that, the shaving cream fight began. Some of the DeMolays decided our advisors needed attention and covered them with shaving cream. That night we had our annual dance and saw James and Parker dance for the first time.

Thanks to all,
